

## Kurt Petro – National White Collar Crime Center

Kurt Petro is a cyber crime specialist with the National White Collar Crime Center's (NW3C) Computer Crime Section (CCS). Kurt is the mobile/Macintosh team lead for the MacOS and IOS curriculum and also teaches a number of the CCS courses. These courses include MFA, MDFA, ICI, WinArt, IDRA, BDRA, and STOP. Prior to his tenure at NW3C, Kurt worked for two years at Hewlett Packard (HP) providing computer forensic, eDiscovery, data recovery, and incident response services to HP and outside clients. Kurt was also a

non-sworn forensic

examiner for McKeesport Police Department for four years. He has also earned numerous certifications during his career, including; GCFA, CFCE, MCSE, Network +, and A+.

**Kurt will be discussing social media and open source intelligence**
